Dear Ehud,

Following our conversation and your email, i am happy to inform you that the dates you provided for visiting Ghana have been accepted by the Office of the President and necessary arrangements are being made per your requests. We would, however, like to request your assistance to provide us with short briefs on Mr. Weizman's and Mr. Fegel's business interests in Ghana, which are required for submission to the relevant authorities in Ghana.

Warm regards.

Ernest

Dear Ernest

I've greatly enjoy our meeting.

Attached please find brief information regarding the company I am owning and heading - Hyperion Ltd.

This will be my first ever visit to Ghana. I'm a great fan of Ghana and following your continuous drive forward.

I'm ready and interested in finding ways by which I can be of help to support and accelerate this impressive drive.

I'll appreciate it if I can have a meeting with the President to discuss global Geo-Politics and the main challenges and opportunities for Ghana.

I'll be glad to meet with other leading Ministers whose responsibilities cover areas of major importance: National Security and Intelligence as well as CyberSecurity activities. The Energy sector. Mines and Minerals. Major National infrastructure projects and any other subject you feel could be of mutual interest.

I would also appreciate it if you can recommend certain meetings with Private Sector leading businessmen .

For any more info if needed please call me at any moment. Looking forward to your response,

Best

Ehud Barak
